

Fundraising Opt-Out Agreement

Fundraising is a necessary part of our LFP PTA program because it allows us the opportunity to help facilitate the school in implementing important programs, technology, curriculum aids, and playground/athletic equipment. We understand that, as a parent, you are already making a large financial commitment towards your child's education, and that many of you do not have the extra money or time to contribute to the various fundraising events. Some of you have expressed an interest in making a donation in-lieu-of fundraising, and we have decided to offer this to our families for the 2011-2012 school year. By making an in-lieu-of donation, you will not be requested to participate in any of the LFPS fundraisers for the 2011-2012 school year, and no fundraising materials will be sent home with your child. Your donation will be tax deductible.

For the 2011-2012 school year, we are asking for a \$100 donation per family in-lieu-of fundraising. If you are interested in this In-Lieu-Of Donation, please mark the box below, and turn in this form to the front desk. You will continue to receive fundraising materials until the LFP PTA receives your donation.
