

S.T.E.M Sessions

Come join Mrs. Horsley for some science, technology, engineering and mathematical fun! We will do a different STEM activity each week. This semester is open to Kindergarten and 1st graders. After Christmas I will run a 2nd and 3rd graders class.

Afterschool classes run every Tuesday from 4-5p.m. Our first class will commence Tuesday, September 13th. We will have our last class on Tuesday, November 15th.

Cost is \$120, including all materials. Ms. Hutcheson can bill your account.

Please sign up by Tuesday, September 6, 2016

My child, _____, will be participating in Science Club.

Grade Level _____

Please bill my account for \$120 for Science Club _____
